DESIGNER

Remote - January 2019 to Present

I created a throw pillow that look like a Ziploc bag of weed, the OG Kushion. I've been marketing and selling them online. I've sold over 1,500 units to date.

FREELANCE

Los Angeles, CA - July 2014 to Present

I moved out to Los Angeles with two months rent, landed a freelance client, and have been offering my creative problem solving skills as a service ever since.

WEB DEVELOPER

Charlotte, NC - October 2012 to April 2013

I was assigned ownership of projects. I worked with clients to create design assets and engineered custom WordPress themes.

TECHNICAL SKILLS

Adobe Creative Suite, HTML, CSS, SASS, WordPress, WooCommerce, PHP, Node, React, MongoDB, jQuery, Amazon AWS, GitHub, Stripe, Photography, Videography, Design, Branding, Conceptualizing Complexities, etc.
